# OUR MISSION

To be an industry leader in industrial supplies & accessories

## ABOUT US

Across every industry the importance of the connection between supplier and end-user is often overlooked and underestimated.

At Marc One Industrial, we are guided by our passion and motivation to add value and provide unparalleled service to our customers everyday.

Our mission at Marc One is to increase the knowledge level within the industry and empower all stakeholders to make the most value driven decision for their business and service as it relates to tools and accessories.

These values represent the DNA that makes up our firm, which was founded over 25 years ago, and continues to shape the strategic direction of the company as we marry our guiding principles with future technologies and efficiencies.

## WHAT WE DO

Marc One Industrial Supplies Ltd was established in 1990 as a supplier of quality power tools, accessories and expanding anchoring systems.

Our range of industry tools and products has increased exponentially over the years expediting Marc One's evolution from a simple distributorship company to multi-service company that satisfies the needs of customers across a range of different industries. Some of these services we provide include but are not limited to the following:

- Retail and Wholesale Distributor of Tools & Accessories
- Industrial Specialized Tools & Accessories
- Service Center and Tool Repairs
- Safety Equipment and Supplies
- Expanding Anchoring Systems

## HOW WE DO IT

Marc One has established itself as a leader in stakeholder satisfaction, which has fostered relationships that have spanned over the length of our existence.

The recognition of such a stature is reflected in the confidence both our customers and suppliers place in us.

We achieve such high standards through a dedicated strategy, which highlights the importance of our relationships and ensures that we maintain and continuously improve the level of service we provide.

## OUR PARTNERS AND MARKETS
